AMENDED INFORMATION DISCLOSURE STATEMENT

Sir:

A computer check to compare references cited in the July 7, 2006 Information Disclosure Statement and references cited in the September 1, 2006 Supplemental Information Disclosure Statement showed that the references listed below and cited in the September 1, 2006 Supplemental Information Disclosure Statement did not indicate that they were newly cited by the inclusion of a superscript 1 beside the reference.

The list below indicates the references newly cited in the September 1, 2006 Supplemental Information Disclosure Statement that inadvertently did not have a superscript 1 beside the reference.

While the Examiner may have indicated review of all of the references in the September 1, 2006 Supplemental Information Disclosure Statement, it is Applicant's wish that the Examiner re-affirm that these references have been considered.
